## Tork Medical Type IIR Face Mask, Blue

Medical Type IIR disposable face masks with earloops covering the mouth, nose and chin. It ensures a barrier to prevent the spread of respiratory droplets and filters bacteria produced by coughing and sneezing. Complies with EU Standards. This type of mask can protect the wearer from splashes of fluids like blood, so is suitable for health workers.

- Filters bacteria (bacterial filtration efficiency of  $\geq 98\%$  according to EN 14683)
- Reduces the risk of spread of infection, from the wearer to other persons
- Splash resistant (splash resistance of  $\geq 16$  kPa according to EN 14683)
- Can be used in environments where risk of exposure to fluid splashes may be present
- Meets EN 14683 standard
- Pleated, latex-free material with nose wire and ear-loops
